LAKE MAUD ASSOCIATION SPRING NEWSLETTER 2006

Beach Cleanup – Due to the high cost of this service, we have decided to do the beach cleanup every other year. This will still allow you to get rid of the big junk but not drain the Lake Association.

June 24th 9:00 AM - Lake Association Annual Meeting @ Lake Eunice Town Hall
This will include election of officers, door prizes, rolls, juice and coffee. Our speaker this year will be from Planning and Zoning and will address the new laws that passed in November, why they were made and what they mean to you if you want to build or remodel.   We will also discuss the proposed development on the west side of our lake.

July 4th Noon - Boat Parade – One award will be given for decoration in each of the following categories: best Patriotic Pontoon & Boat; best original pontoon & boat; and best decorated yard. Rain make-up day will be Sat. July 8th. Last years winners will be announced at the annual meeting.

August 19th, 5:00 – 7:00PM – August Social @ Cormorant Community Center. This will be our 4th annual social. This is a pot luck event so bring a dish and come to visit old friends and make new ones.

http://www.mnlakes.org/maud/   The web site is up and running, though still under construction. Please visit it and share any ideas on what you would like to see on it.

Lake Survey – Attached is a lake survey we would like you to fill out. This is a tool that many of Minnesota's larger lakes have found useful to have when trying to control over development and protect the way of life on their lake. You may return it with your dues or bring it to the annual meeting.

We update our membership list each year, please fill out the form below and mail with your $20 dues to Julie Scothorn, 12146 Shorewood Beach Rd. Detroit Lakes, MN 56501. Please print.
