Dave called the meeting to order.

OLD Business: The spring newsletter was reviewed. The newsletter with beach cleanup information has already been sent and listed items were to be out by the road by 9:00 am, on Saturday June 21<sup>st</sup>. STARTING THIS YEAR THE START TIME WILL BE 8:15 (Please note the time change).

Paid members should put their items out on Friday night. Last year due to the large amount of furniture, and extra items, it took extra time to complete the pickup. We need to allow Steve's Sanitation enough time to arrive at the landfill which closes at noon on Saturdays.

Treasurer's Report (Tom Clow) see attached. The balance of \$569.14 is a balance set aside for the radar speed signs on Hwy 22. Our ending balance for the association is \$12,915.91 and our CD balance is \$5094.84 Tom will look into what our options are concerning the low interest rate on the CD.

NEW Business: Lake Maud has a new website: [lakemaudassociation.org](http://lakemaudassociation.org).

Our email address is [lakemaudassociation@gmail.com](mailto:lakemaudassociation@gmail.com)

Dues for our membership in Minnesota Lakes and Rivers increased from \$150 to \$185. There was an additional one-time fee of \$110 for the website.

Julie is asking for any volunteers who would like to help with the website. We need assistance with website development and maintenance. Please contact Julie if you are interested.

The compost site behind the church on Cty 15 is closed. Someone had dumped appliances at the site, and the landowner has closed it permanently.

The agenda for the annual meeting was discussed. Tentatively listed:

New website

Lake Steward Program

Update on the Loon project

Water quality report

Discussion and vote on whether to continue with meal at annual meeting or switch to a breakfast type meeting.

Township representative to speak (if available)

Brief discussion about wake boats especially on small lakes like ours.

The remainder of the meeting was discussion of updating the association bylaws. The bylaws with revisions and updates will be posted for members to review prior to the annual meeting, so everyone will have an opportunity to comment before they are enacted.

Tom made a motion to adjourn the meeting, seconded by Dean.

Respectfully submitted, Lori Brown
